Dear Valued Customer,

We hope everyone had a wonderful swimming season. With the end of summer approaching we are beginning to schedule pool winterizing. Please call **(860) 334-2948** to set up your pool winterization. Please try to give me 1-2 weeks notice. These prices include winterizer for 15,000-30,000 gallon pools.

Price List

In Ground Pool winterization
(includes liquid winterizer, antifreeze, gizzmos, and plugs) \$ 275*
(hot tubs +\$100, in-floor cleaners +\$100)
Above Ground Pool winterization \$ 255*

*** price reflects \$20 discount for payment received withing 14 days of the date the pool is winterized.** (check, cash or credit card accepted).

Additional charges

Heater (gas, electric, propane or solar)	\$ 10
Solar heater requiring roof access	\$ 70
Diving board removal	\$ 15
Acid wash Chlorine Cell	\$ 30
Acid wash filter elements	\$ 85
(filter elements will be taken @ closing and returned upon spring start-up)	

Vacuum, leaf removal and filter cleaning is not included in the winterizing prices, please let me know if you need us to provide these services. \$ 100 per ½ hr

We hope that you enjoyed your pool season and look forward to hearing from you.
