Dear Valued Customer,

We hope everyone had a wonderful swimming season. With the end of summer approaching we are beginning to schedule pool winterizing. Please call the following number to set up your pool winterization. **(860)334-2948**. Please try to give me 2-3 weeks notice. These prices include a winterizing chemical kit.

Price List

In Ground Pool winterization, including winterizer**

(includes antifreeze) \$285**

(hot tubs + \$100, in-floor cleaners + \$100)

Above Ground Pool winterization \$265**

**** price reflects \$20 discount for payment received within 14 days of the date the pool is winterized.** (check, cash or credit card accepted)

Heater (gas, electric, propane or solar)	\$10
Solar heater requiring roof access	\$50-\$80
Diving board removal	\$20
Winter Chlorine Tabs per dispenser	\$30
New Plugs/Gizzmo	\$2/\$4
Acid wash filter elements	\$120

(filter elements will be taken @ closing and returned upon spring start-up.)

Vacuum, leaf removal and filter cleaning is not included in the winterizing prices, please let me know if you need us to provide these services in advance. (\$150/hr)

We hope that you have enjoyed your pool season and look forward to hearing from you.

Thank you and we look forward to hearing from you,

Seth Coty
